SUBJECT: Acknowledgment of Receipt Initial Charitable Organization Registration Statement

Dear Chief Financial Officer:

This letter serves to confirm our receipt of your charitable organization's initial registration statement. Please keep this letter in your permanent files for future reference.

Pursuant to the Charitable Registration and Investigation Act, **N.J.S.A. 45: 17A-18 et seq.** ("CRI Act"), and specifically, **N.J.S.A. 45: 17A-22**, your registration statement has been deemed accepted. Please note, however, that your charitable organization's registration statement is still under review and your organization is not a registered charitable organization at this time. If the registration statement is found to be incomplete, or other registration requirements are not satisfied, you will be notified and expected to promptly remedy any deficiency noted and provide any information requested. Unless your organization takes steps to respond and remedy the deficiency in a timely manner, your organization will not be issued a registration number and will be required to cease soliciting funds within the State of New Jersey. If your organization's registration statement has been found to be complete and all registration requirements have been satisfied, a registration number will be issued and your organization considered registered for purposes of the CRI Act. You will receive this information by letter.

If you have not already done so, we invite you to visit our web site and become familiar with the charitable organization registration and renewal requirements of the CRI Act <http://njconsumeraffairs.gov/charities>. We are available to answer any questions you may have regarding this matter and can be reached at (973) 504-6215 Monday to Friday 8:30 AM to 5:00 PM.

Very truly yours,

Nelida O'Neill
